

WHO WE ARE

The Central Iowa EMS Directors Association is composed of EMS Directors and agency representatives from central Iowa. The Association meets every other month to share ideas, unite as a single voice, and make decisions on issues affecting our agencies and communities. There are 9 counties included in the association, which include: Boone, Dallas, Jasper, Madison, Marion, Marshall, Polk, Story, and Warren.

MEMBERSHIP BENEFITS

Excellent opportunities are waiting!

Please consider joining our group and you can start taking full advantage of all these great membership benefits today!

- Extensive network opportunities with regional EMS agencies
- Join with other EMS agencies to work towards continued improvement in the EMS field
- Vast array of training aids, equipment, and educational modules for membership use
- Collaborative opportunities for Medical Directors
- Membership website benefits (your link to resources for conferences, advisory groups, local EMS news)

If you would like more information about becoming involved with the CIEMSD Association, please contact us at membership@ciemspd.org.

TESTIMONIALS

“CIEMSD is a great way to network, and it also provides a communications forum to share ideas on topics ranging from protocols, training and operations. It also provides a forum to discuss topics with other disciplines including the ER's, Emergency Management and Public Health.”

— Clint Robinson, Fire Chief, Waukee Fire/EMS

“My membership in the CIEMSD has given me a forum to network with other EMS agencies of all sizes to ask questions and gain insight on issues affecting our business. The group has also given me access to training simulators and materials I would not have with out membership in the CIEMSD.”

— Ryan Young, Captain, Altoona Fire Department
