

April 15, 2010 Multi-Disciplinary Group Meeting Overview

- H1N1 Response Review

The Polk County Health Department has closed Moore Elementary as a H1N1 Clinic site and all H1N1 vaccinations are now done on a walk-in basis at the Health Department 1907 Carpenter Avenue.

Polk County Health Department is in the process of moving items from Moore Elementary to River Place County Building for storage until the Health Department remodel is completed in November of 2010. We will be out of the Moore Elementary building by July 1, 2010.
