

Central Iowa EMS Directors

Thursday, October 1, 2015, 1330

Ankeny Fire Station #1, Ankeny, Iowa

Training Committee Notes

In attendance: Mike Cardwell-Urbandale FD, Franny Medeiros-Polk Co EMA, TJ Carroll-DMACC, Chris Perrin – MGMC, Brian Helland-Clive-FD, Frank Prowant-Ankeny FD

1. **Health Care Coalition Grant Funding** – Grant funding for the scan thermometers has been completed. Discussion focused on CIEMSD to representation on the Regional Healthcare Coalition. Brian and Franny will facilitate a request to the appropriate individuals.
2. **System Development grant** – Franny reports we now have \$12,968 in total System Development Grant Funding for FY16. Currently the grant funds the NREMT Refresher, Difficult Airway Course, EMS Round Table and the purchase of shared resources such as textbooks. The committee discussed alternative projects that would focus on system development.
 - Part of the grant requirements required the completion of the System Standards Assessment document which has been completed and submitted to IDPH. The grant funds could be focused on achieving systems standards within the county.
 - Discussion focused on the need to determine the direction we need to move forward in meeting system standards and assessing the current system needs.
 - Committee recommends a joint meeting with the CIEMSD Operations Committee to review the submitted EMS System Standards Assessment and the need for system assessment within the county.

We plan to invite the CIEMSD Operations Committee to our next Training Committee Meeting which is scheduled for Noon – 1500, Thursday November 5, 2015, at Ankeny Fire Station #1.
