- 1. Mission Lifeline Iowa Report – Heather Maier,** Report provided. EMS Grant Round 4 should be announced next week. Public Education materials are available on the mission Lifeline website for ordering at no cost.
- 2. Health System Data Reports:** *Web site has been updated! Will try to add data from 1st medical contact to 12 lead to the report.*
- 3. Improving STEMI Outcomes Meeting**
 - *Monday, November 14, 2016, Christopher’s Restaurant, Des Moines, 5:30 social time, 6:00pm program start.*
 - *Flyer was distributed by David Edgar and will be sent out by email after today’s meeting. Task Force members are encouraged to take the flyer to their local clinics and urgent care centers and encourage them to attend.*
 - *Operations committee has developed the program format for the evening.*
 - *Including two displays of paramedic equipment with manikins by Unity Point and Mercy Ambulance services.*
 - *We will also try to have a ambulance for display in the parking lot.*
 - *Matt Klein has secured formal CEH’s and nursing CEU’s for the program. Still working on CME’s but may not be able to obtain them for the program. We will set-up a registration table in the entry to the room.*
 - *Katy will have signs to post on the entry doors to guide attendees to the room.*
- 4. The next meeting is being moved to December since the STEMI Workshop is in November. Next meeting is Thursday, December 15, 2016, 8:00am, at Polk County EMA.**
